PRESIDENTS CORNER

The prospecting season is upon us. I went to the September outing with a close friend from the Roadrunners, but did not find anything. Another Roadrunner found some and that was good. I guess in the future I should stick closer to Chuck and Sheryl because they most always find something. I believe I will be at the October outing again at Bumble Bee King. Be very careful driving in and don’t try to get down that steep hill in a low clearance vehicle.

The Christmas BBQ tickets are on sale and I bought mine. We, the Board, voted to use Famous Dave’s again this year and they are giving us a small discount. The food is great and the price is reasonable. I do want to again request that you buy your tickets as soon as possible as we need an accurate head count to order the food. Members that show up without a ticket may be shut out because we only order food for the number of tickets sold. (I order a little extra, but don’t tell anybody). Seriously, we do need an accurate headcount and also remember, this year we are at a different location. Maps and directions are given out with the ticket.

We just celebrated our 30th anniversary as a club and that is noteworthy in this day and age. We had an anniversary cake (see picture below) at the September meeting along with Pizza catered by the American Italian Club. I believe we are the best prospecting club in America and we are one of the largest; certainly the largest in Arizona.

This club works due to the efforts of volunteers and I am pleased to report that one of our members, Lewis Miller, has agreed to provide all the refreshments at the monthly meetings. His help is appreciated by all. We have a daunting task ahead of us with regard to claims marking. As a result of amending some of our claims, necessitated by the change in how the BLM assesses fees, we have to move and install a lot of corner markers. Fortunately we have Chuck Horner who is a past master at this. He and his able group of volunteers are undertaking the task. I don’t think we can thank him and those volunteers enough. It’s that kind of action by our members that makes the Roadrunners the best club in America.

We do need an amendment in our By-laws. Specifically our By-laws, in section 14, refer to the AMF which is called the Annual Maintenance Fee (that means the US Government fees), as being on a “per claim” basis for purposes of assessing our members. As you now know, the government changed the rules. AMF fees are now to be on the basis of a 20-acre parcel. This means that the wording of our By-laws must change to conform and I, and the Board ask that you approve this change. The new wording will appear on the ballot in November. I would say I’m sorry for this, but I’m not going to do so because I didn’t cause it, the government did and I cannot do anything about it. I am as upset as everyone else about the increased costs to the club.

I look forward to seeing you out on the claims and don’t forget to wear your badge. It’s your claim.

Have a safe month.
Frederick Horn, President
MONTHLY MEETINGS

General Meetings:
3rd Thursday of the month - 7:00 PM @ Arizona American Italian club 7509 North 12th St. Phoenix, AZ

Monthly outings:
Held on the weekends following the Third Thursday of the month. Guests are welcome to attend regular meetings and outings.

Board Meeting:
forth Tuesday of the month - 7:00pm Club Office

New Member Orientation:
Club Office 7:00 p.m.. See calendar for dates.

Help Roadrunners “Go Green” and go for the GOLD

For every 20 Roadrunner members that sign up to receive our monthly newsletter in their email, we will have a drawing for a gold nugget in the weight range of .3 to .4 dwt. We are making this offer through the rest of this year and it is for those members that do not currently receive our newsletter electronically.

The emailed version of the newsletter is in color, making the claim maps and photos sharper and picture perfect. Also, the newsletter arrives a week earlier than the mailed copies, making announcements timelier. You can save copies on your computer as a future resource for later review, either on the screen or by printing a paper copy. Most importantly, you will be doing your small part in helping us “go green” and also save your club postage and printing costs.

You can sign up now by sending us an email address along with your name, member number and home address to rrpc-office@roadrunnergold.com. Please use “Sign Me Up!” in the subject field. Or, fill out the attached form and mail it to our office.

Winners will be announced in future newsletters and a gold nugget will be mailed to the members address. Also, a member must be in good standing and only one entry per member.

Yes, I want to “Go Green” and go for the GOLD

Show And Maybe Tell
At our next month's Roadrunner meeting, on 10/18, we are inviting all members to bring items of interest and cool things that they have found on any of our claims. Included in these items might be minerals and gems as well as historic artifacts and if you were lucky, meteorites. Of course, found gold is always a welcome sight for our members. And, by the way, showing us your gold is where the "Maybe Tell" comes in. We realize that our members like to keep their gold hot-spots close to their hearts and may not divulge exactly where they found their color. But members sure would like to see your gold and get jealous. So, bring your great "stuff" and lets talk about it. Just like a famous line in an old Cheech and Chong movie, we will let you in the meeting room when you knock on the door and say, OPEN THE DOOR, MAN! I GOT THE STUFF!"

NEW LOCATION FOR THE BBQ
This years December BBQ event will be held at the Desert Breeze Park in Chandler. Maps will be included with all ticket orders. Enter the park from the south off West Chandler Blvd. The BBQ will be located in the four pavilion cluster at the north end of the parking lot. See you there.
REVISED CLAIM MAPS and NEW CLAIM With NOTICE OF INTENT

Because of the recent BLM fee increase, we have had to amend some of our larger claims to decrease the acreage. Included with this newsletter are several new claim maps showing these amendments. Please replace your existing maps with these. Also, please remove Map 16 from your packet as we have not renewed these claims. In addition to revising some claims, we have added a new claim on Map 11, Red Bird #11. This claim was owned by members Lauren and Laura Carter and was donated to the club. Thank you, Lauren and Laura. Because this claim is located in the Prescott National Forest an NOI is needed when you prospect on this claim. This NOI is also included in this issue as well as a new Table of Contents for your map pack.

You should find the following inserts in this issue:

Table of Contents (2 pages), Map 5, Map 11, Map 14, Map 17, Map 19, Map 22, (all 1 page), Info page for Map 11 adding new Red Bird #11 claim, Info page for Map 17 removing Ocotillo #3 and Red Bird #10, both of which were dropped (1 page each) and a Notice of Intent for Red Bird #11 on Map 11 (4 pages.) This new Notice of Intent (NOI), dated September 20, 2012 from the Prescott National Forest must be in your possession when operating on this claim. At this time, NO DREDGING IS ALLOWED ON THIS CLAIM.

Note: These inserts are also archived in the members only section of the website in the Newsletter Archive library. These documents may be viewed, downloaded and printed if needed.

GPAA GOLD AND TREASURE SHOW

The GPAA gold and treasure show was in Mesa this past weekend and was very sparsely attended compared to years past when the show was in the spring. They announced just a little over 700 attended on Saturday the 29th. Road runners were very lucky in the door prize drawing. Jim Dimaria won a nice prize and Art Tallis walked away with the Alaska two week trip to Nome’s GPAA camp.

AMF INCREASE REMINDER

Effective, September 1, 2012, the Annual Maintenance Fee (AMF) has been increased from $20 per year to $44 per year for ALL members. Be sure to pay this new amount on or before December 1, 2012 for 2013.

For those members who are paying annually (green badge with decal) the new amount will be reflected in your invoice which you should receive the first week in November.

For the Life members who may have pre-paid the AMF, the total amount paid will be reflected in the amount owed for 2013 at the $44 rate and any surplus will be applied to future years. Please feel free to contact the office to obtain the status of your account.

If you have already made a $20 payment this year for 2013, you should submit an additional $24 payment so that you will be paid in full for 2013.

Payments may be made in any amount at any time during the year using cash, check, money order or Visa, Master Card or Discover Card. All payments will be reflected in your November invoice. Thanks

ADDRESS CHANGES

Please be sure to keep your mailing address and phone number up to date.

If you fill out a change of address card with the USPS, they will only forward 1st class mail for 6 months. After that, the mail is returned to the sender.

If we do not have your correct address on file at all times, you will not receive your monthly newsletter.

Of course, a simply solution to this problem is to receive your newsletter via email. Then you will get your newsletter regardless of where you may be and about two weeks earlier and in ‘living color’. Please give this option some consideration. Thank you.

Job Duties for the Coming Election

Below is a list of some but not all of the duties and responsibilities of the open positions for this November’s election:

President:
- Responsible for the overall operation of the club.
- Preside over the General and Board meetings.
- Provide backup for the Treasurer during absences.
- Required to attend both monthly meetings.

Secretary:
- Record the minutes of the General and Board meetings.
- Maintain the master file of the meeting minutes.
- Assure that historical records are retained including the newsletter (Bird Tailings) file.
- Required to attend both monthly meetings.

Board Members (some but not all of the following):
- Assist with various club functions such as the Coin Shoot and Picnic.
- Lead claims marking and maintenance events.
- Research future claims and evaluate existing claims.
- Lead outings.
- Assist with publishing the monthly newsletter.
- Required to attend both monthly meetings.

Secretary Job Description

The Secretary is responsible for maintaining the records of the club. In this capacity, the Secretary is charged with maintaining the business procedures and ensuring that they are followed, reviewed and updated annually.

Specific duties of this position include:
- Recording the minutes of the General and Board meetings.
- Maintain the master file of the meeting minutes.
- Manage the Board Assignments file (the Board To-Do list).
- Develop and maintain the records retention schedules for all Club documents in accordance with the Records Retention guidelines.
- Assure that historical records are retained including the newsletter (Bird Tailings) file. & maintain the historical file of past Club officers and Board members.

The Secretary is required to attend all General and Board meetings and provide input as applicable on issues up for discussion. The Secretary interacts with the President on a regular basis assisting with the development of policies and procedures relating to the records and historical data in support of the Club’s operation. The Secretary also provides backup to the Vice President during absences.

Prospector’s Wife

The old-timer prospector’s wife was nearing town for supplies in their horse and buggy when she was waved over by a friendly sheriff. Taking off his 10-gallon hat, the sheriff said, “How do you do ma’am. I just wanted to warn you that your right rear wheel is wobbly and should be looked at soon as it could become dangerous.”

"Why, I thank you sheriff," replied the old prospector’s wife. "I will have my husband look at it as soon as I return home."

"Also," said the sheriff nervously turning his hat in his hands, "Ma’am, I noticed one of your reins to your horse is wrapped around his testicles. I’m thinking that the horse may not like that and perhaps you should have your husband check on that too."

Again said the old lady; “I thank you sheriff. I will also have my husband check this when I get home.”

True to her word, when she got home to their claim, she told her husband, who was now hard of hearing, about her meeting with the sheriff and the wobbly wheel. And, as she expected, he said he would check on it immediately. Then as the old-timer was walking out of the door for repairs, he heard his wife holler, “OH FRANK, THE NICE SHERIFF ALSO SAID THAT THERE WAS SOMETHING WRONG WITH THE EMERGENCY BREAK!”
President

The President is responsible for the overall operation of the Club. In this capacity, the President oversees the general functions of the club and implements the Club By-laws and Rules and Regulations.

Some of the specific duties:
- Supervise the Office Manager.
- Deal with membership issues.
- Review the Monthly Planning Guide at the monthly Board Meeting.
- Deal with questions and issues.
- Act as liaison with outside contacts such as press releases and publications.
- Approve newsletter content and format.
- Sees that business procedures are documented and followed.
- Sign or countersign all certificates, contracts and other instruments of the Club.
- Conduct the General meeting.
- Manage the VIP drawings.
- Manage the annual Club property inventory.

Along with the Treasurer:
- Purchase the gold used by the Club.
- Cosign checks as required by the By-laws.
- Renew Commercial Liability Ins. and Directors & Officers Ins.
- Renew the rental agreement with the general meeting provider.
- File Annual Report with the Arizona Corporation Commission.
- File Trade Name Status with the Arizona Secretary of State.

The President is required to attend all General and Board meetings and provide input as applicable on issues up for discussion.

ANNUAL COIN HUNT
RAFFEL AND POTLUCK LUNCH

On November 17th 2012 the RRPC will hold its annual coin hunt on the Cass 5 and 6 claims in Morristown, map page 12. As we have a recreation permit for these claims there will be a gold raffle and you can bring your mining or camping items and sell them at the outing if you so desire. This is a change from the past when the coin hunt has been on the Leave No Holes Claim. We feel the Morristown area is more accessible, the roads friendlier allowing those with larger trailers and motorhomes to camp out during the coin hunt. A pot luck lunch is planned so bring your favorite lunch goodies and share with all.

The coin hunt is open to members only, one detector per membership. There will be silver rounds, a plasma art crafted by Chuck Gentles and prizes associated with mining awarded. The board of directors authorized the purchase of these mining prizes and Travis Brown the owner of Pro Gold in Youngtown has agreed to match dollar for dollar the prizes we purchase from his store. Travis has also donated a special prize of a Black Magic gold recovery system from his store. Special coins will be buried for the Black Magic and the Plasma art.

If you would like to help with the coin hunt there will be a sign up sheet at the October general meeting.
Chuck and Sheryal Gentles will be camped at the Cass and have agreed to help with the setup of the coin hunt area. Please honor the areas marked off for the hunt and do not set up camp inside this area.

IN PASSING

Ken Chichester, long-time member of the Roadrunner Prospector's Club, passed away on 9-28-12 from Renal Cell cancer. He was a devoted member and at one time served on the board. Nancy Chichester

Note: Ken was a treasure hunter and a gold prospector. He always had interesting tales to share and knew a lot about old treasure signs found in the desert.
The following is a reprint of an article written by RRPC member Gene Mrotek

GENE SEZ – October 2002

Outlaw Loot

Fifteen miles north of Sedona in the cool pine country, is a location of bandits' buried treasure that you metal detector buffs might want to search. You can drive to this one by car. This story concerns the infamous Valenzuelo-Hildalgo gang of 12 members. They pulled many holdups from New Mexico through northern Arizona. Sheriff C.P. Owens at Flagstaff searched for them relentlessly and finally received information that they made their camp at Mexican Pocket about 12 miles south of Flagstaff. He could only recruit two men, Peter Brogdon and John Jacob to help him. 

They arrived near the camp at dusk and observed only one outlaw. Soon the other eleven rode in and the sheriff and his two men opened fire from their three positions. Seven bandits were killed and five escaped although two were wounded seriously. The five that escaped made their way to Phoenix but had the misfortune of getting into a gun battle with Marshall Henry Garfias. Marshall Garfias killed the three healthy bandits and questioned the two seriously wounded ones. He learned that each of the twelve outlaws had two saddlebags of loot that each one hid in or about Mexican Pocket. Garfias sent a note to Sheriff Owens but he didn't believe it and soon forgot about it.

About this time John Jacobs recalled that none of the outlaws' 12 horses had saddlebags at the time of the shoot out. Jacobs and Brodgon decided to return to Mexico Pocket to do some searching. Three days later buried at the base of a large pine tree they found a pair of saddlebags loaded with gold coins and jewelry. During the next few years they would spend an occasional weekend looking for more saddlebags. Five years later they did find another pair buried near a large rock. They now searched with renewed vigor but never found anything else.

Since 12 pairs of bags were hidden this site gives you an excellent opportunity to treasure hunt. The current value of each set should be in the $100 to $150,000 range. Even if a few more than the original two were found, there still are a number of sites to try your luck.

To get there, take highway 89A about 14 miles north of Sedona and pass Oak Creek Vista, which is plainly marked along the highway. Go about another 1 ½ miles to Forest Service Trail #237 on your right. Follow this trail about 1 mile to a washed out bridge on Pumphouse Wash. Park here and the search starts across this wash.

Some new information..... Peie Brogdon married a woman with 3 sons. One still survives and lives at Cottonwood. He volunteered some info regarding his step-dads search for some of this loot if I wouldn't disclose his name. Seems the local paper there ran a story a few years ago and listed his name as a searcher with his 2 brothers. His phone and driveway were very busy for days.

His step-dad, Pete Brogdon would take the 3 boys by horse and wagon on weekends when his job would permit to do some looking. They would always camp at the Pumphouse Wash and search from there. However, Mr Brogdon never found a third cache.

If you find a mound of rocks, you'll be at the shoot out area as the seven outlaws are buried there. Remember each outlaw buried his loot separately as they would not trust one another, but it probably is not very far from where they had their camp. Good luck on numbers 3 through 12.

Gene
Pro Gold Prospecting Equipment & Supplies is now the new distributor of the clothing and products for the club, you can go directly to the mining shop to purchase your shirts hats and decals, also Pro-Gold will be soon be offering some new items, such as hat pins Car window decals, Sweat pants and many more neat new things to show your support of the club. If you plan to go and buy the product from the store keep in mind that they will want to see that you are a current member so be sure to bring your current membership card, The store does not want to be selling club merchandise to non members. You can reach the mining shop at 623-670-9732 if you have any questions.
